EXPERIENCE

Content Operations Intern

WieLearn / CookWithFem (Cooking Food Media Platform)

Remote

Mar 2025 – Jul 2025

- Worked under the Chief Content Officer (CCO) to support content strategy for a cooking-focused digital platform.
- Collaborated with a team to create and publish SEO-optimized blog content aligned with YouTube cooking videos.
- Assisted in structuring and managing a large-scale Q&A content system to improve website engagement and ad visibility.
- Contributed in a fast-paced startup environment with tight timelines and cross-functional coordination.

PROJECTS

ArcadeLearn – Gamified Learning Web Platform

2025

- Developed a gamified learning web application using **React**, **TypeScript**, and **Tailwind CSS**.
- Built responsive UI components and intuitive user flows.
- Implemented secure authentication and user management using **Supabase**.
- Designed and developed an exams and assessment module to track learning progress.

Mentisphere – Mental Wellness Support Platform (Team Project)

2025

- Contributed to the development of a student-focused mental wellness web platform during a 24-hour hackathon.
- Worked on core application structure, feature integration, and user flow design.
- Assisted in backend logic and structured content organization for wellness resources.
- Project secured **2nd Prize** at Red Hat OpenSourceX 2025 College Hackathon.

Heart Disease Prediction System – ML Web Application

2025

- Built a machine learning web application using **Logistic Regression**.
- Implemented a data preprocessing pipeline including encoding and feature scaling.
- Trained and evaluated the model to achieve reliable predictive performance.
- Developed a **Flask**-based web interface for real-time predictions.

ACHIEVEMENTS

- **Winner (1st Place):** DEBUTHON Competitive Coding Contest, FED-BES, KLEF (KLH), 2024.
- **Runner-up (2nd Place):** Red Hat OpenSourceX 2025 College Internal Hackathon.
- **Football:** College Football Tournaments: 2nd place in 1st 2nd year.

SOFT SKILLS

Problem Solving | Team Collaboration | Communication | Adaptability & Growth Mindset
